WELCOME TO THE 2024-2025 SCHOOL YEAR

Dear Blanche Ely high school family,

Welcome back! We are excited to continue our tradition of excellence for the 2024-2025 school year at Blanche Ely high school. As your proud principal of the tiger nation, I am honored to serve and extend a warm welcome to all of our returning students and Tigers new to Blanche Ely high school.

Our theme for the 2024-2025 school year is "A League of Our Own: Our Only Competition". This was selected to celebrate our outstanding achievement of becoming a 'B' rated school by the Florida Department of Education for school year 23-24, but encourages us to press forward to higher heights as an 'A' school. While we celebrate past successes, we always recognize there is room for growth. Together we will achieve even more.

OUR GOALS THIS YEAR

As we forge forward, all parents can expect to continue to receive regular communication, daily, weekly, quarterly and also monthly via our SAC/SAF meetings with virtual and in person options.

In addition to becoming an 'A' school, we are expanding our Cambridge programming, adding a real estate course, entering new partnerships with Chic-Fil-a and Florida Blue and continuing to beautify our campus.

OUR COMMITMENT

Blanche Ely High is a historic school built on a spirit of excellence and advocacy and you can be assured that we will continue to strive for a quality education and OPPORTUNITY for all students. Thank you for your continued support and dedication to our school community. I am confident that, with our collective efforts, we will achieve new heights.
