RED: NO MOVEMENT

IMMINENT DANGER

Threat/Incident to the facility, when best course of action is to keep everyone in place to include the School SAFE Team no exceptions. The following are examples of incidents that could occur but are not limited to:
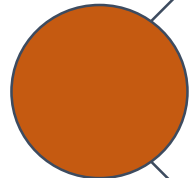

Drive-by-Shooter (gang related), Active Killer, Possible weapon on campus, Terrorist Threat **(3 Rings) Alternate to P.A.**

YELLOW: LIMITED MOVEMENT

Threat/Incident to the facility, when best course of action is to keep everyone in place but requires the School SAFE Team activation. The following are examples of incidents that could occur but are not limited to:
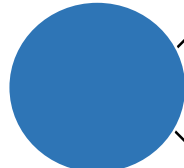

Neighborhood Incident, Home Invasion, Bank Robbery in progress - Police Directed **(2 Rings) Alternate to P.A**.

**BROWN: Shelter-In-Place or Evacuate Facility**

Threat/Incident to the facility, when best course of action is to implement a shelter-in-place "chemical incident outside of the facility"; or that of an evacuation "chemical incident inside of the facility" ie. natural or propane gas leak. Procedure depends on the nature of the school emergency.

Examples: Chemical, Toxic Release, Explosion

BLUE: MEDICAL EMERGENCY

During a Code Red, Call 911. During a Code Yellow notify an Administrator or SAFE Team member of the medical emergency.
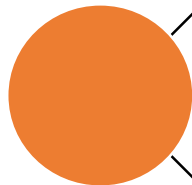

BLACK: Bomb Threat

EVACUATE FACILITY

SAFE Team and staff members search the school site/building for suspicious items. Upon verifying the threat is legitimate by the Incident Command Staff (ICS), evacuation will commence and calls are made over the PA system, use of Mega Phone, or Bell System **(5 Rings) Alternate to P.A**.

GREEN: ALL CLEAR

A password has been generated to insure the legitimacy of the Incident Command Staff (ICS) or their designee giving the all clear code. However, a code yellow down grade will be used prior to the ICS or designee calling the all clear when in a Code Red.

ORANGE: EVACUATE

WHEN A SITUATION WARRANTS BEYOND PREVIOUS CODES.

This code is mainly used in chemical situations. Under a code brown to evacuate staff and students from the facility. Example: School is under a code brown . Fire Department arrives and determines school needs to be evacuated. Code Orange will be called with direction on where to evacuate to.
