

Plantation Park Elementary School-Level Parent and Family Engagement Plan (PFEP) 2023-2024

Mission Statement

As the PPE Community, we strive to provide a safe environment that fosters 21st Century lifelong learners.

Engagement of Parents and Families

Plantation Park Elementary will engage parents in an organized, ongoing, and timely manner, in the planning, review, and improvement of programs in this part, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan under section 1114(b) except that if a school's program is exempt from statutory or regulatory provisions, the school may use that process, if such process includes an adequate representation of parents of participating children [Sections 1116(c)(3), 1114(b)(2), and 1116(a)(2)(B)].

Plantation Park Elementary believes in involving parents in all aspects of Title I programs. Parents are involved in the Title I program through parent activities that begin early in the year with our Annual Title I Public Meeting. This meeting informs parents of the many components of the Title I program, introduces them to the school's curriculum and various assessments, and recruits parents to become part of the school decision-making process. Some of the actions to involve parents include parent representation through membership on the School Advisory Council (SAC). The PTA and Title I Family Nights are combined into one evening and continue to be successful in providing parents a forum for participation in an organized, ongoing and timely manner. Parents have the opportunity to attend staggered activities throughout the evening that involve them on several levels to include parent-training activities. Monthly SAC and SAF meeting offer parents a vehicle for input into how parental involvement funds are used, what items should be included in the Title I Home-School Compact and Annual Title I Parent Survey, and keeps parents informed as to the implementation of the School Improvement Plan. PTA, SAF, and SAC meet monthly during morning and evening sessions for flexibility. We know that parent involvement in our school can have a dramatic effect on the academic achievement of our students. This plan is developed with the goal of developing a strong partnership with all of our parents, so that our students will be provided with the best possible education we can provide.

Coordination and Integration

Plantation Park Elementary will coordinate and integrate parental involvement programs and activities that teach parents how to help their children at home, to the extent feasible and appropriate, including but not limited to, other federal programs such as: Head Start; Early Reading First; Even Start; Home Instruction Programs for Preschool Youngsters (HIPPY); the Parents as Teachers Program; Voluntary Pre-Kindergarten; public preschool; Title I, Part C (Migrant); Title I, Part D (Neglected, Delinquent and At-Risk Youth); Title II (Effective Instruction/Professional Development); Title III (ELL/ESOL) and Title IX, Part A (McKinney-Vento Homeless)[Section 1116(e)(4)].

Count	Program	Coordination
1	Professional Development Plan	Staff Development funds are used to develop a comprehensive professional training program to improve delivery of equitable instruction through a variety of workshops designed to move teachers to mastery and improve student achievement.
2	Academic Family Nights	Parental Involvement Funds are utilized to fund academic parent nights that provide parents with new skills to support student learning at home. Improving the frequency and quality of family participation and increasing family literacy are goals of our parental involvement component. Monies are used to purchase food, supplies, and materials.
3	Annual Title I Open House	Annual Title I Open House provides teachers a chance to gain parents' support, create a personal connection, and establish ways for continued communication throughout the school year. Information is shared about subjects to be covered throughout the year, and overall curriculum plans and goals. Grade level assessments will also be discussed, so that parents can help their children, and be informed of grade level expectations.
4	School Website	Utilize the school's website to advertise school events, provide information about school and District policies and procedures, and provide links to resources.
5	Surveys	Conduct school surveys to encourage parent input in the operation of the school.

Annual Parent Meeting

Plantation Park Elementary will take the following actions to convene an annual meeting, to which all parents and guardians of participating children shall be invited and encouraged to attend, to inform parents and guardians of their school's participation under this part and to explain the requirements of this part, and the right of the parents and guardians engaged. Include the specific activity and/or activities, frequency and duration, evidence-based research on effective implementation and maintain documentation, ensuring that all parents and guardians are invited and encouraged to attend [Section 1116(c)(1)].

The school will also inform the parents about the location of the School Improvement. Additionally, information is posted on the school's website and through ParentLink. These resources provide up-to-date information on parent activities, policies, and procedures related to the Title I Program.

The Title I Annual Meeting provides descriptions and explanations of the school's curriculum and academic expectations for proficiency in all subject areas and grade levels. This information is shared at monthly SAC meetings via the Principal's and Committee Chair reports. Our monthly SAC meetings provide the forum for parents to provide input and formulate suggestions related to decisions affecting the academic program. Parents are actively recruited for SAC, beginning with the Title I Annual Public Meeting and throughout the year at Title I Family Activities. Plantation Park Elementary recruitment flyers can be found in the 1st day packets. Parents have the opportunity to provide input through the year-end evaluation survey. Comments and suggestions will be taken into consideration and included in the annual review.
