WELCOME FROM YOUR PASSIONATE PRINCIPAL

Greetings Parents, Guardians and Community Members!

We are off and soaring into another Magnificent Markham school year! I am excited about our instructional plans to help students move to the next level of academic achievement. In addition, we plan to engage parents and the community through activities, such as School Advisory Council (SAC), School Advisory Forum (SAF), Parents and Teachers Association (PTA).

Our theme for this year is: **“Caution...Hard Hats Needed! Great Minds Under Construction”**

Steve Jobs stated, “If you are working on something that you really care about, you do not have to be pushed. The vision pulls you.”. The vision of C. Robert Markham Elementary is that all students meet and exceed mastery. Our students, faculty, administration, non-instructional employees, parents, and community members comprise the Markham family, and together we will push them to greatness, as measured by their goals and dreams.

I encourage all families to attend our quarterly Family Nights and Zone Engagement Activities. We will share lots of ideas for helping students to become academic achievers, while making learning fun and engaging. Also, don’t forget to send back the first day packets, which include the *Title I Student Parent Compact* and *Code of Conduct* forms. It is going to be a wonderful year!

If you have additional questions, please do not hesitate to call our main office at 754-322-6950.

Third grade is an awesome year for students to grow and learn in preparation for 4th grade. There will be challenges along the way, but when we use the tools that our teachers provide, it will be the ultimate pathway to success.

Goals for success:

- Ø Be on the look-out for the all-important homework that is designed exclusively for your student.
- Ø Start reading nightly and review sight words.
- Ø The goal for math is to have full mastery of the four basic operations. It starts with reviewing the multiplication tables.

Parents, we need your partnership to help us reach our goals. This will be the best road to your student’s academic achievement.

We look forward to a wonderful and successful year!

ELA/Math Department

Welcome Markham Families to the 23/24 school year. **A few reading tips for you to try at home!**

Play with sounds. You can sing the alphabet song together, talk about sounds the letters make, and rhyme simple words.

Chat away. Just hearing words spoken out loud can help children learn to read. Talk about what you see from the car or tell stories about your day.

Read aloud. As you read the story together, pause and ask questions like, "What do you think will happen next?"
