

COOPER CITY HIGH SCHOOL WORLD LANGUAGES DEPARTMENT

SPANISH 5

Texts: Triángulo, Abriendo Paso Gramática

Description:

The curriculum for Spanish 5 is designed to enhance the skills that students have already acquired in speaking, writing, reading, and understanding Spanish as well as to broaden students' awareness of Hispanic culture and knowledge of Spanish speaking countries through participation in a variety of class activities and projects. This course will also prepare students to enter the Advanced Placement Spanish Language course.

Goals:

Interact in the target language in situations chosen from a variety of contexts

Communicate in the written language using vocabulary for present, past, and future events and express feelings and opinions about those events

Identify and discuss various aspects of the target culture

Obtain and process information in spoken or written form of academic, cultural, and historical interest

Evaluation:

Will consist of written quizzes and tests, class participation in group or individual presentations, speaking activities, listening comprehension activities, and projects

Course Schedule:

El Hogar

Review and expand upon vocabulary covering the home, food, and clothing

Describing the past

La Salud

Health and medicine
