Review your graduation information in Virtual Counselor prior to completing your Scheduling Plan. Refer to the graduation requirements on our school website- https://www.browardschools.com/coopercityhigh (under Academics tab) to ensure that you are selecting the most appropriate course of study. You and your parent/guardian must sign this form to confirm your 7 primary classes (4 core & 3 elective). Please also carefully select 4 alternate courses. These are courses that will be in your schedule if the first 7 courses are not all scheduled. You will automatically be scheduled into your 8th course, Personalization. NOTE: District recommendations for core classes are based on previous test scores, courses taken, and grades earned. Students must get recommendations (signatures) from teachers before this card is handed in. Students are placed into the appropriate Language Arts, Math, Science, & Social Studies courses based on these recommendations AND course progression guidelines. The options listed below are the courses offered next year. Please select courses carefully and select only courses you are genuinely interested in taking as you will **NOT** be able to change a course that you have selected on this sheet. If you have any concerns, speak with your Guidance Counselor prior to turning in your card. Students will have **8 courses all year long: 7 Academic & 1 Personalization class.**
