

North Andrews Gardens Elementary

Semester 2 Newsletter 2023

A group of NAGE teachers will be working to support our students with various academic camps. Each camp will support student growth in the areas of ELA, Math, and Science. Our LEC Camp will support English Language Learners. The camps will be offered to specific students based on individual assessments beginning this spring.

Remember to set your clocks one hour ahead on March 12th

It is important that you are monitoring your child's virtual counselor page. This is where you can view their progress through interims and report cards. Teachers have sent the directions for accessing VC. If you need them again, please reach out to your child's teacher.

Please make sure that you are listening to all Parentlink messages that you are getting on the phone. These are important messages, and we are working hard to inform parents about all school events and information to enhance your child's experience at school.
