Educating today's students to succeed in tomorrow's world.

234

Schools, centers and technical colleges.

271,500+

Diverse pre-K – 12th grade students.

191

Different languages spoken by BCPS students from 204 countries.

175,000

Adult students served by the District's Technical Colleges and Community Schools.

36,000+

Dedicated employees, including more than 15,000 instructional personnel.

Broward County Public Schools (BCPS) proudly offers:

More than 150 high-quality academic, magnet and innovative programs to meet students' interests and individual needs.

Largest school district to offer scholastic chess to all second grade students; all students K – 12 have access to Chess4Life, an interactive online chess platform.

Computer science courses, curriculum and activities at 100 percent of District schools.

The largest debate program in the nation, with debate offered at all middle and high schools, and expanding among elementary schools.

High schools ranked among the best and most challenging in the nation by U.S. News & World Report and The Washington Post.

Personalized learning through the BCPS Digital Classrooms initiative, providing one-to-one student to computer ratios and individualized student curriculum.
