**MEMORANDUM**

DATE: July 14, 2015

TO: District School Superintendents  
Charter School Directors

FROM: Pam Stewart 

SUBJECT: 2014-15 Class Size Operating Categorical Reallocation and Restoration Calculations

The Commissioner's alternate compliance calculation was adopted by the 2015 Legislature with the enactment of chapter 2015-232, Laws of Florida (L.O.F.). Attached is a summary of the final adjustments to class size operating categorical allocations required by section 1003.03(4), Florida Statutes (F.S.), as amended by chapter 2015-232, L.O.F., which was reflected in the June 26, 2015, electronic funds transfers to school districts.

The adjustments include the reallocation and the restoration of funds. Pursuant to section 1003.03(4)(d), F.S., the reallocation to districts and charter schools that were in compliance with class size requirements was derived by multiplying up to 5 percent of the base student allocation by the total district full-time equivalent students, not to exceed 25 percent of the reduction. The remaining balance of the reduction funds was restored to districts and charter schools that were not in compliance with class size requirements and that submitted a certified plan by February 1, 2015, explaining the actions the district or charter school will take to ensure compliance by October 2015, pursuant to section 1003.03(4)(e), F.S.

If you have questions regarding this memorandum, please call Linda Champion at 850-245-0406.

1. Pursuant to s. 1003.03(4)(d), F.S., the Commissioner must prepare a reallocation of the funds made available for the districts that have fully met the class size requirement for both traditional schools and district-operated schools of choice. The funds shall be reallocated by calculating an amount of up to 5 percent of the base student allocation multiplied by the total district FTE students. The reallocation total may not exceed 25 percent of the total funds reduced.

2. Pursuant to s. 1003.03(4)(e), F.S., for districts that submit to the Commissioner by February 1 a plan certified by the district school board, the funds remaining after the reallocation in Column 3 shall be added back to the district's class size categorical allocation based on each qualifying district's proportion of the total reduction for all qualifying districts for which a reduction was calculated.

1. Pursuant to s. 1003.03(4)(d), F.S., the Commissioner must prepare a reallocation of the funds made available for the charter schools that have fully met the class size requirements. The funds shall be reallocated by calculating an amount of up to 5 percent of the base student allocation multiplied by the total charter school's FTE students. The reallocation total may not exceed 25 percent of the total funds reduced.

2. Pursuant to s. 1003.03(4)(e), F.S., for charter schools that submit to the Commissioner by February 1 a plan certified by the charter school board, the funds remaining after the reallocation shall be added back to the district's class size categorical allocation based on each qualifying charter school's proportion of the total reduction for all qualifying charter schools for which a reduction was calculated.

1. Pursuant to s. 1003.03(4)(d), F.S., the Commissioner must prepare a reallocation of the funds made available for districts that have fully met the class size requirement for both traditional schools and district-operated schools of choice. The funds shall be reallocated by calculating an amount of up to 5 percent of the base student allocation multiplied by the total school's FTE students. The reallocation total may not exceed 25 percent of the total funds reduced.

2. Pursuant to s. 1003.03(4)(e), F.S., for districts that submit to the Commissioner by February 1 a plan certified by the district school board, the funds remaining after the reallocation shall be added back to the district's class size categorical allocation based on each qualifying school's proportion of the total reduction for all qualifying district-operated schools of choice for which a reduction was calculated.
