## Developing Skills to Make a Difference

### Global Education

The Global Education Program aims to ensure that every public school student in Broward County will be empowered to accept academic challenges, prepared to pursue their chosen path after graduation, and encouraged to become lifelong learners who will engage in a globally collaborative society. The program is the means to ensuring that our Broward County Public Schools graduates are globally engaged and productive citizens.

### Civic Engagement

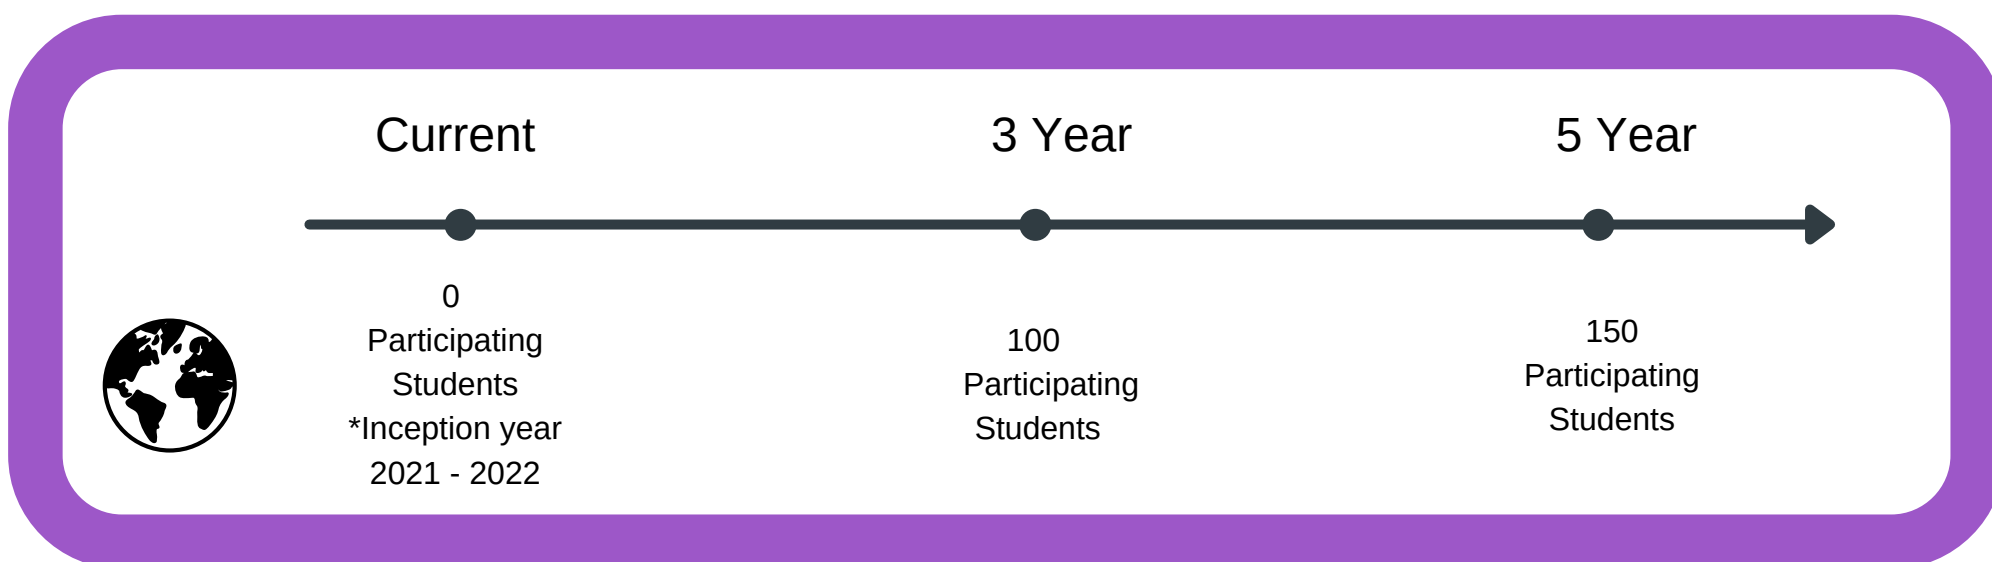

The hands-on problem-solving programs that the Civic Engagement Team provides, like those listed below, require your support to sustain and grow.

- Debate K-12
- Global Education
- Mock Trial
- CREST
- Chess
