

# Health Education

*For Every Student In Every School*

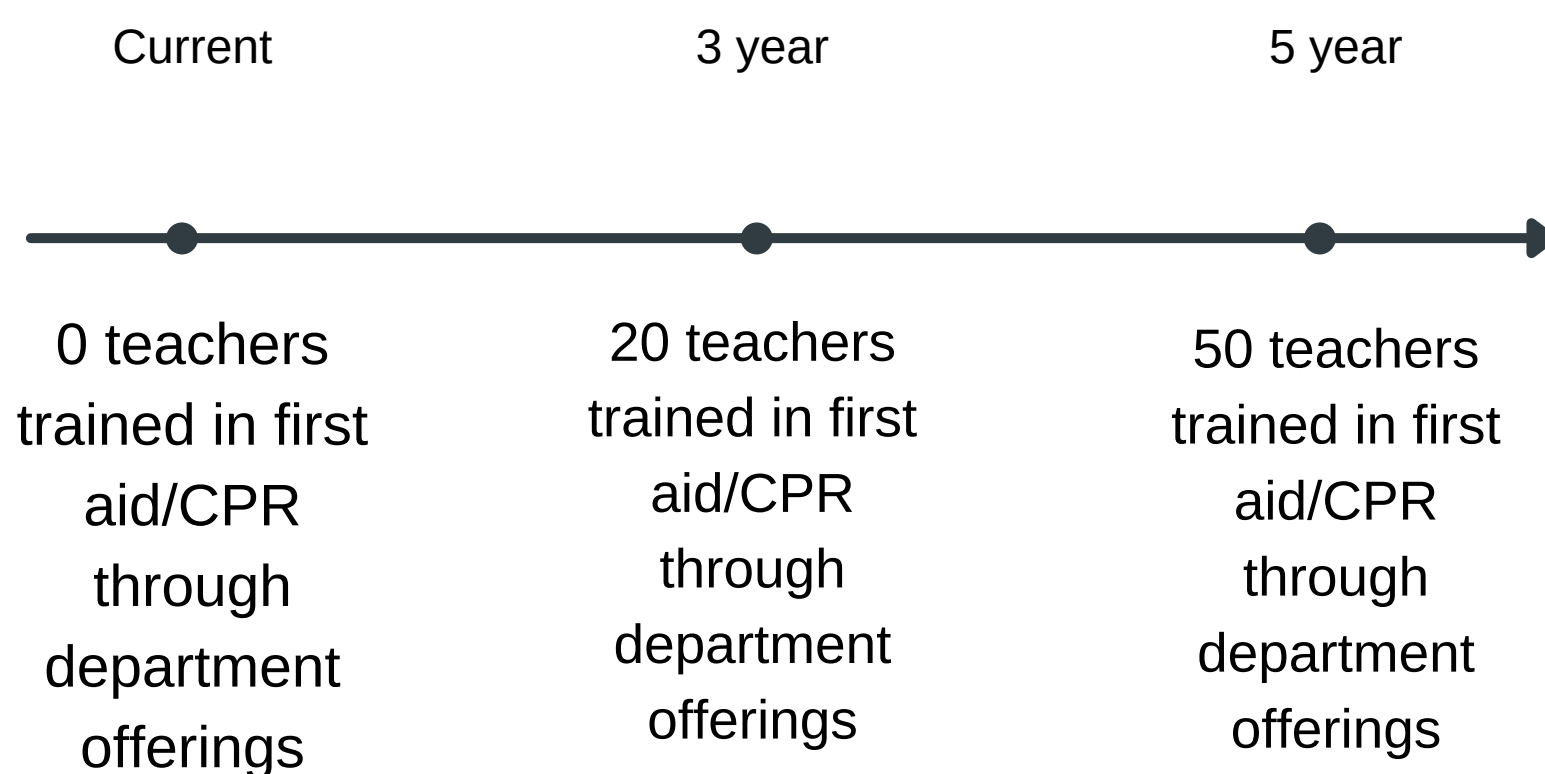

## Health Education - Secondary

- *To shape the values and beliefs of students in pursuit of a lifetime of health enhancing behaviors.*
- *To ensure all students have the skills, knowledge, and efficacy to live a healthy life style.*
- *To provide support for educators to teach first aid and CPR to all students in Grade 6, 8, 9, and 11.*

## Health Education Program

*The Centers for Disease Control and Prevention states that "School-based health education helps adolescents acquire functional health knowledge, and strengthens attitudes, beliefs, and practice skills needed to adopt and maintain healthy behaviors throughout their lives."*
