For every student in every school

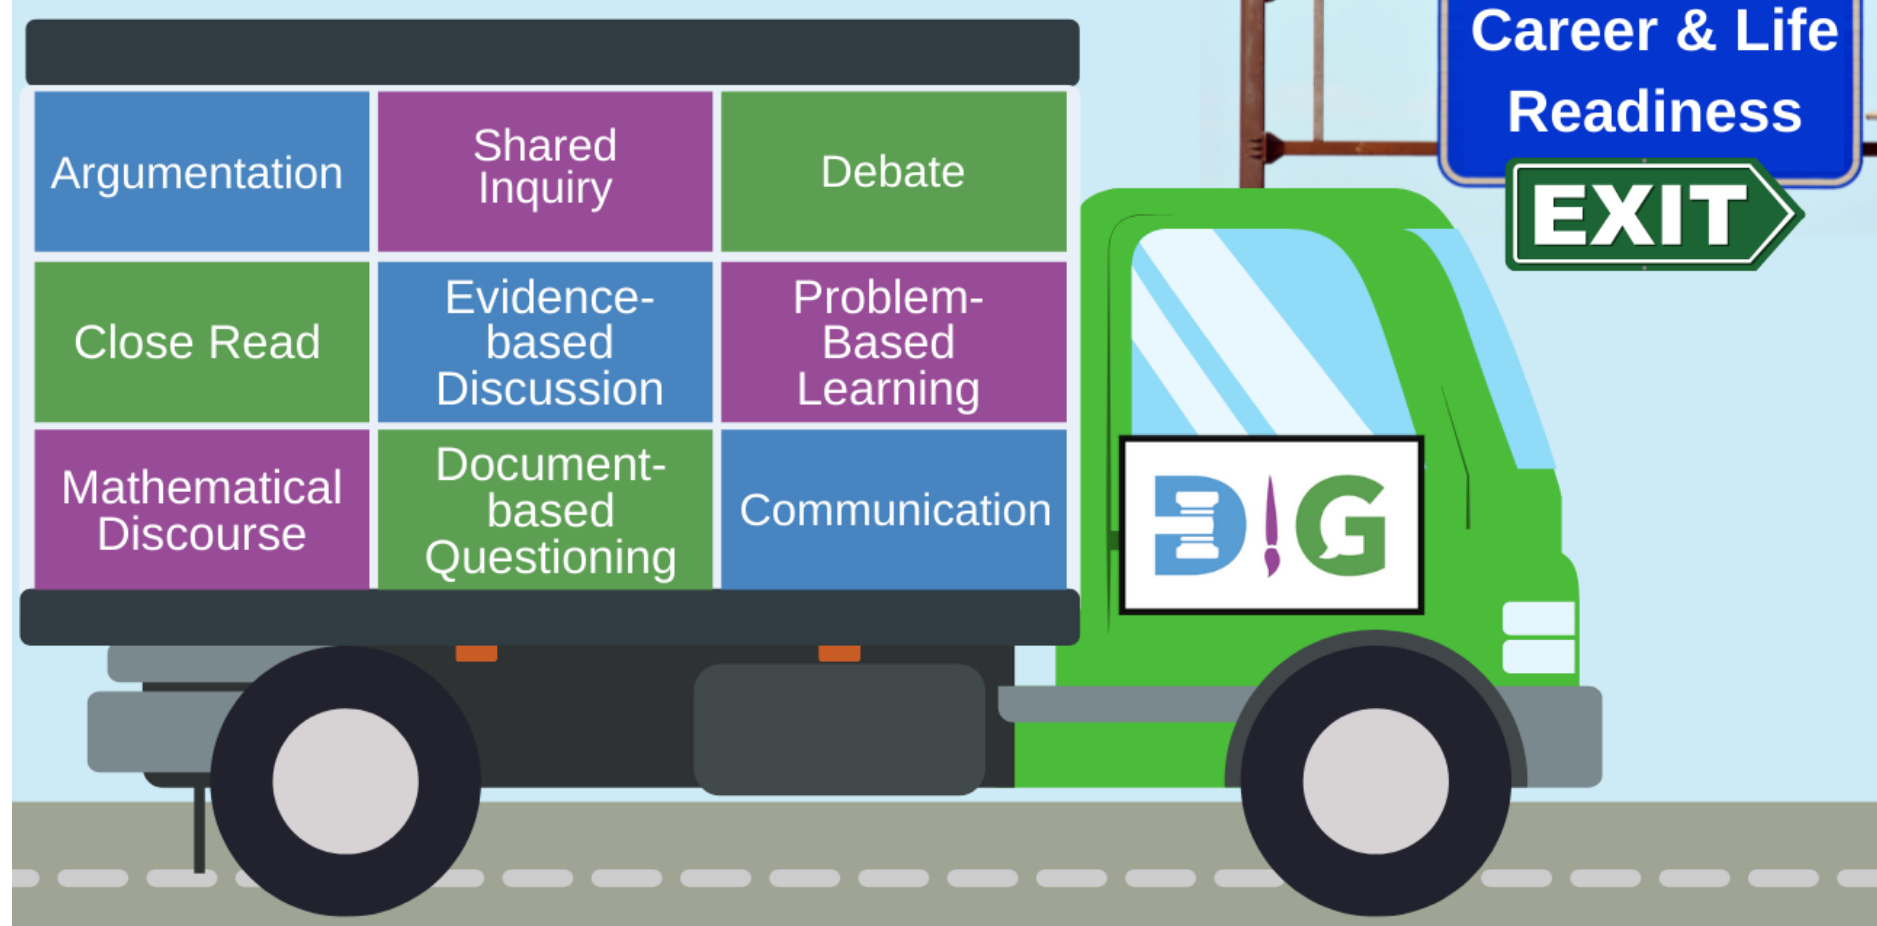

DIG Deeper to Learn

Research Practice Partnership to spread the equitable facilitation of critical thinking and the belief that...
Every student can #DIGDeeper2Learn

- Raising awareness of critical thinking
- Providing teachers with specific guidance & strategies to facilitate students' critical thinking
- Identifying and addressing inequities

It's in everything we do.

Hands-on problem-solving

Computer Science

Robotics

Engineering

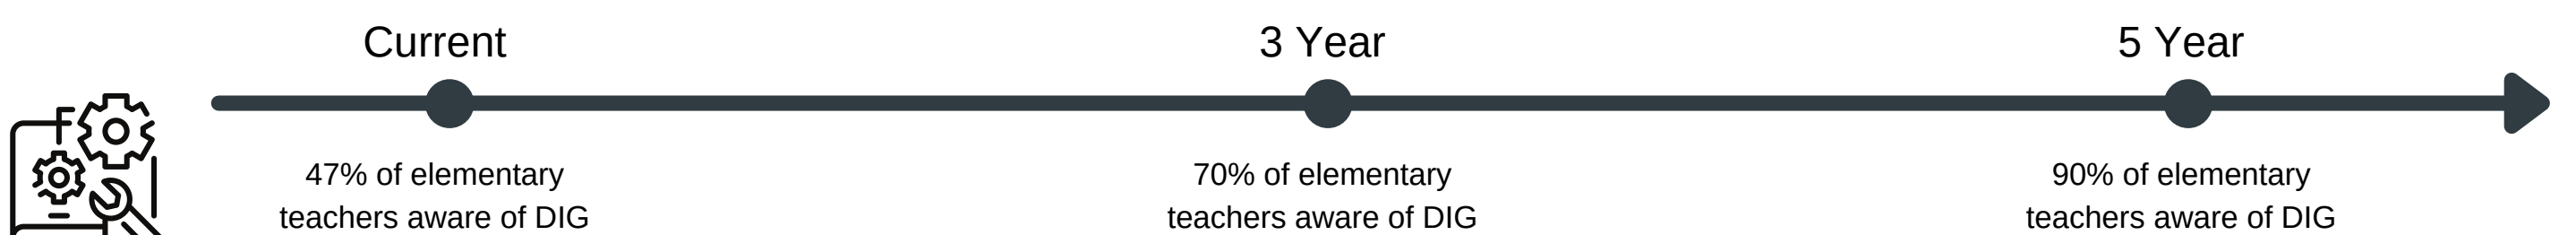

Environmental Stewardship

DIG Deeper to Learn is a RPP with Outlier Research & Evaluation and funded by the Hewlett Foundation that began in 2019 to spread the equitable facilitation of critical thinking. Please note that this grant focus was initially elementary school so the data collection is only for elementary teachers and Principals. Survey data is collected twice per year starting in 2019 and skipping Spring and Fall 2020 due to the pandemic.
