

ELEMENTARY FLEX (Foreign Language Exploratory Program)

The goal of this program is to emphasize the oral use of the Spanish language in everyday childhood experiences and develop language and cultural awareness that emphasizes cross-cultural appreciation and contrast.

Program Components	Learner Outcomes
Listening Speaking Culture	By the end of fifth grade, the students will: <ul style="list-style-type: none"> • Respond to simple visual and oral stimuli. • Become familiar with gestures and expressions that enhance verbal messages. • Be able to follow simple instructions. • Become familiar with games and age-appropriate cultural activities including music, visual arts, and theater.
