Broward County Public Schools Character Education Curriculum

Rationale for delivering the instruction in the courses and grades selected above *

Each Monthly Character Education Curriculum and Family Newsletter contains lessons, videos and activities on Broward's eight character traits. These traits promote positive behavior and create a safer and more respectful learning environment for our students.

Use each month's classroom lesson plans and the Reality Lane (K-5) or Reality Avenue (6-12) character videos to integrate the trait into your students' daily lives and bring the trait to life in a way that is relevant. We also encourage families to do the related activities at home, some of which are listed below.
