Step 2 – Select the Login with Active Directory, a popup box will appear (**make sure you have the pop-up blocker turned off**). Enter your child's username and password and hit OK.

**Have your child sign in with his/her student number and password/PIN to get to his/her personalized Clever Single Sign-On Launchpad.**

# Step 2. How does your child enter school?

**Here is a sample of one.**

**For young and complex learners, parents/guardians should log in with the student information.**

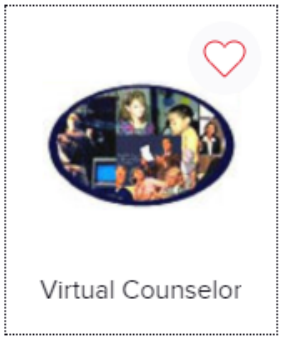
# Step 3. How does your child get to class?

BROWARD SCHOOLS VIRTUAL COUNSELOR
POWERED BY THE BROWARD COUNTY PUBLIC SCHOOLS DATA WAREHOUSE

**If your child has multiple courses (middle and high school), they need to review their school schedule to know the order in which they should be attending classes.**

**Have your child go to Virtual Counselor to find out his/her class schedule.**

**Virtual Counselor may be accessed by logging onto your child's Single Sign-On LaunchPad at sso.browardschools.com and clicking on the Virtual Counselor tile.**



# Step 4. How does your child enter class?

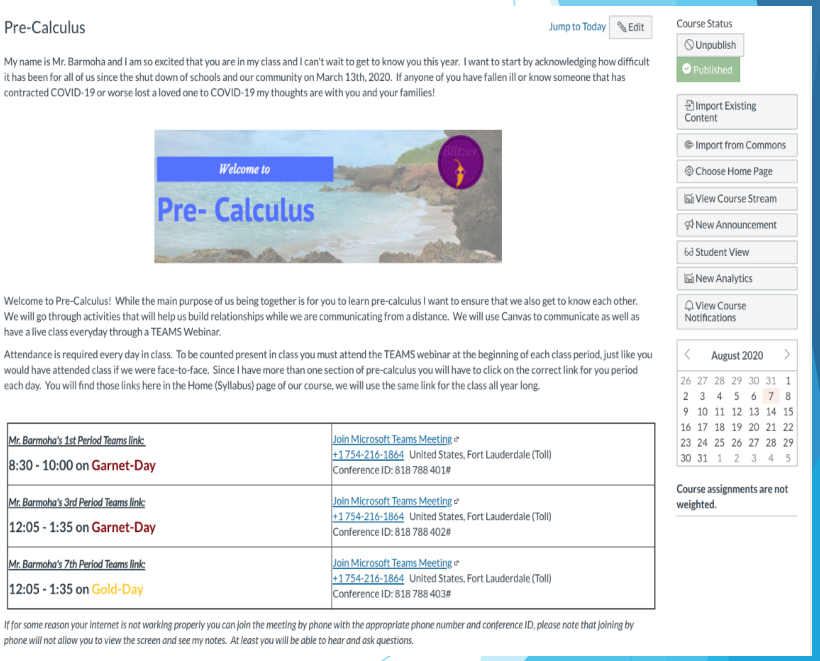
**Teachers will be providing live web conferencing through Microsoft Teams. The link to these live meetings will be placed in a Canvas Home Page.**

## TEAMS WEB CONFERENCING LINKS



Pre-Calculus

Jump to Today | Edit

My name is Mr. Barmoha and I am so excited that you are in my class and I can't wait to get to know you this year. I want to start by acknowledging how difficult it has been for all of us since the shut down of schools and our community on March 13th, 2020. If anyone of you have fallen ill or know someone that has contracted COVID-19 or worse lost a loved one to COVID-19 my thoughts are with you and your families!

Welcome to Pre-Calculus! While the main purpose of us being together is for you to learn pre-calculus I want to ensure that we also get to know each other. We will go through activities that will help us build relationships while we are communicating from a distance. We will use Canvas to communicate as well as have a live class everyday through a TEAMS Webinar.

Attendance is required every day in class. To be counted present in class you must attend the TEAMS webinar at the beginning of each class period, just like you would have attended class if we were face-to-face. Since I have more than one section of pre-calculus you will have to click on the correct link for you period each day. You will find those links here in the Home (Syllabus) page of our course, we will use the same link for the class all year long.
