Students: What To Do and When

As we migrate towards distance learning, we'll share some best practices below.

March 30, 2020 through April 2, 2020

Quarter 3 Grades will close on April 2, 2020

- ✓ Students should log into Canvas at least once per day to see if there are any announcements regarding assignments to be completed from your teacher.
- ✓ Parents and students can contact the teacher via email, Remind App, Canvas, or any other communication tool that your child's teacher have set up and shared with you.
- ✓ Your teacher's email address will be provided to you by your child's teacher and should also be listed on their Canvas course.
- ✓ Be sure you can access all the required online resources and platforms that your child's teacher will utilize for instruction. The Team video conferencing is also a feature and option that teachers can use to stay connected with students for live sessions with students; if your child's teacher opts to use this tool, directions for these live sessions will be communicated by the teacher on the Canvas platform.

April 6, 2020 and Onward

Quarter 4 Content and New Assignments Start on April 6th, 2020

- ✓ Log into Canvas at the start of each week, and twice daily; click on each of the courses you want to interact with. Navigate the canvas page in order to complete the content. Teachers will post instructional activities and assignments to be completed for the week; students need to familiarize themselves with the week's expectations and plan their time accordingly.
- ✓ The office hours (outlined by grade level below) will be used for teacher and student interaction. Students may be asked to participate in live instructional sessions during the assigned office hours. Any live instructional sessions will be communicated in advance by individual teachers and published on their Canvas course.
