

WHEN IS "SICK", TOO SICK FOR SCHOOL?

SEND ME TO SCHOOL IF...

- I have a runny nose or just a little cough, but no other symptoms.
- I haven't taken any fever reducing medicine for 24 hours and I haven't had a fever during that time.
- I have not thrown up or had any diarrhea for 24 hours.

KEEP ME HOME IF...

- I have a temperature higher than 100.4 °F even after taking medicine.
- I'm throwing up or having diarrhea.
- My eyes are pink and crusty.

CALL THE DOCTOR IF...

- I have a temperature higher than 100.4 °F for more than two days.
- I've been throwing up or have diarrhea for more than two days.
- I've had the sniffles for more than a week and they aren't getting better.
- I still have asthma symptoms after using my asthma medicine (and call 911 if I'm having trouble breathing after using the inhaler).

IF YOUR CHILD WILL BE ABSENT DUE TO ILLNESS, PLEASE MAKE SURE TO CALL YOUR CHILD'S SCHOOL ATTENDANCE LINE TO LET US KNOW. TURN IN A WRITTEN NOTE THE FIRST DAY YOUR CHILD RETURNS TO SCHOOL.
