Immediate Questions for BCPS

- What will be in the final version of HB 7079?
- Will we pilot FL Civic Examination in Spring 2020?
- How will SAT/ACT test fee waivers work in 2021 and 2022?
- What state funding will be provided for instructional materials and professional development for FY2021?
- How will we align supplemental funding, such as Title I, II, III, and IV, with these revisions and processes?

- Deepen integration of comprehensive wellness, mindfulness, and mental health into student experience
- Modify BCPS Course Catalog, course cards, and update guidance to students and families
- Adopt new instructional materials
- Revise professional learning offerings
- Reconsider progress monitoring assessments
- Align data systems to support teaching and learning

BCPS Curriculum will . . .

- Embed standards in student focused sequences of teacher orchestrated experiences
- Be developmentally appropriate, able to be personalized, and aligned with national and global measures of readiness
- Provide enrichment, remediation and acceleration options
- Be designed to promote deeper learning
- Promote the use of problem- and project-based pedagogy
- Integrate Debate, computer science, and mindfulness
- Designed as one component of an overarching system of developing life-long learning, mental health, and comprehensive wellness

Overview of Interdependencies

- Articulate BCPS curricular and experiential expectations beyond B.E.S.T
- Move to competency-based progression
- Move to Comprehensive Learner Records as next generation transcripts of student learning
- Deepening integration with CPALMS and CASE
- Balance of digital- and paper-based materials, procedures and systems
- Utilization of Open Educational Resources (OER) and publisher authored instructional materials
- Alignment of curriculum based, teacher administered assessments with state and national progress monitoring

Data System Updates

- Learning Management System (Canvas by Instructure)
- Professional Learning Platform (LAB by PowerSchool)
- Professional Appraisal Platform (iObservation)
- Data Warehouse (TERMS by BCPS)
- Student Information System interface (BASIS by BCPS)
- Gradebook (Pinnacle by Wazzle)
- Library and instructional materials management (Destiny by Follett)
- **Potentially:** SAP, EdPlan, ELlevation, Accelify, Applitrack
