* If you are required to take Reading based on the district progression chart, one or both of your electives could be changed

Students: Please be sure that you only list courses that you are genuinely interested in taking. Please select your courses carefully because you will not be able to change a class that you have listed on your course selection sheet.

My child and I have reviewed the State of Florida High School Graduation Requirements and teacher recommendations; discussed and selected what we believe are the most appropriate courses and I approve these selections. I understand these selections are for the entire 2025-2026 school year.
