The Learning Lab is a safe place for kids who struggle with their social, emotional, and academic health at school. This is where kids go for out-of-the-box learning solutions that are focused on them, as an individual, not as a number in a classroom roster.

We help kids learn in the ways and places that they're comfortable, even if that means not sitting behind a desk. (And we don't use worksheets. Ever! There is no one size fits all approach.)

From Kristen Leith, PTA President

The spirit of volunteering is alive and well at Central Park Elementary. Volunteering comes in many forms in our school: Raising funds for Relay for Life, volunteering at our Field Days, working in our school store and helping at our Book Exchange, just to name a few. The volunteers at CPE are a gift.

Without the help of our volunteers, our students would lose many opportunities that our volunteers help support. Thank you to our volunteers that give a little or a lot of time to help make Central Park Elementary the special place that it is. We are currently looking for volunteers to head committees for next year. If you would like to get more involved, please contact Kristen Leith at kristengravina@aol.com.

Kindergarten, first and second grade all had a blast at Field Day. Field Days are run entirely by our CPE PTA. Thank you to all of the volunteers that helped to make field day a success! Third, fourth and fifth grade will be enjoying field day on March 9th. We are looking forward to a fun filled day with them! Thank you to the teachers, staff, volunteers, and parents for all helping to make Central Park Elementary a wonderful school!

Kindest Regards,
Kristen Leith
PTA President

100 DAYS!! We've Made 100 Days!

Students, staff, and teachers had a great day to celebrate 100 days of school!

National Women's History Month

We're celebrating Women's History Month by recognizing the great teachers of our history that led the way to fantastic contributions in history, culture, and society. Without these terrific women, many of our greatest achievements would have never been made. We honor all women today, tomorrow and always!
