

Dave Thomas Education Center & Charles Drew Family Resource Center

BACK TO SCHOOL – August 16, 2022

Welcome to the 2022-2023 school year Dave Thomas Education Center and Charles Drew Family Resource Center staff, students, parents and community.

We are proud of the many changes and improvements to our school to "create the standard." We will always be "Relentless4Excellence." We must first acknowledge and understand how and why Dave Thomas Education Center exists. Dave Thomas is the founder of the Wendy's restaurant chain. He dropped out of high school and began a military career and worked under his friend Colonel Saunders at Kentucky Fried Chicken. Wanting to LEAD, he began the Wendy's franchises. Through all his success, Dave Thomas felt a void in not finishing high school so he went back to school to earn his GED. Dave felt he wanted to give back to the community, so he founded Dave Thomas Education Center. He also was an advocate and representative for foster children. As we continue his vision of working with students who are academically behind or returning to school to earn their high school diploma, we designed the motivational model of LEAD-FOLLOW-SHIFT. We will continue to provide our students and staff with the highest standard of instruction, customer care, and professionalism. We will succeed by following three simple principles. These principles are accountability, responsibility, and reliability. That belief will carry us past COVID-19 and ANY obstacles we will face to be successful and create the standard.

Mr. Perry M. Egelsky, Principal
