Executive Summary

District Strategic Plan 2025

Broward County Public Schools is the sixth-largest school district in the United States and the second-largest in Florida. The district serves more than 256,021 students at 231 schools and is one of the largest employers in South Florida, with 30,529 team members.

Vision: Educating today's students to succeed in tomorrow's world.

Mission: Educating all students to reach their highest potential.

Core Values: Student Focus, Teaching Excellence, Accountability, Respect, Safety

School Mission Statement

We recognize that students have a need to grow every day and intends to prepare a diverse student population for success in college, and to be thoughtful, contributing members of society.

School Community

Lauderhill 6-12 STEM-MED serves 711 students enrolled in grades 6-12. The student population's ethnicity comprises 7.9% Hispanic and 92.3% Non-Hispanic students. Additionally, we serve a diverse population made up of 7.6% White, 90.6% Black, 0.1% Native, 0.3% Asian, 0.3% Pacific, and 1.1% Multiracial students.

The administration includes Principal, Dr. Ryan Reardon and Assistant Principals, Shannon Burch, Leslie Farr, and Keisha Maxwell. Lauderhill 6-12 is proud to offer a diverse array of unique programs designed to empower students and provide them with valuable opportunities to success academically, socially, and personally. These programs include:

- **STEM-MED Magnet Program:** A cutting-edge focus on Science, Technology, Engineering, Mathematics, and Medical Sciences to prepare students for high-demand careers.
- **Cambridge International Program:** A rigorous academic program that fosters critical thinking, global perspectives, and a pathway to earning the Cambridge AICE Diploma.
- **Adobe Certified Professional:** Certification in Adobe Photoshop, Illustrator, and other multimedia tools, providing a solid foundation for careers in graphic design and digital media.

- **FAA Part 107 Drone Pilot License Preparation:** Training students in drone operations and regulations, opening doors to careers in drone technology and aeronautics.
- **IT Fundamentals and Cybersecurity:** Foundational knowledge in IT systems, networking, and cybersecurity, aligning with the needs of today's tech-driven industries.
- **CAD and Fusion 360 Certification:** Mastery of Computer-Aided Design (CAD) and Autodesk Fusion 360, providing essential skills for careers in engineering, product design, and manufacturing.

The specialized nature of these programs directly influences the resources and materials needed within our library collection. For example:

- **STEM resources:** Advanced materials on medical sciences, engineering, coding, and drone technology.
- **Global studies:** Resources supporting Cambridge International's curriculum, including global perspectives, research skills, and cultural studies.
- **Social-emotional learning:** Books and materials fostering inclusivity, leadership, and mental wellness.
- **Creative tools:** Multimedia resources for students engaged in media production, journalism, and design projects.

Purpose of Collection Development Policy

A school library collection development plan serves as a roadmap to guide library materials' selection, acquisition, and maintenance. It ensures the collection aligns with Florida statutes, the District's Strategic Plan Goals and Guardrails, the school's curriculum, and student needs by providing a framework for choosing resources that best support student learning across different subjects and interests while also addressing diversity and appropriate content levels.

A Collection Development Plan Serves Several Important Purposes:

Statutory Compliance: A Collection Development Plan establishes the framework for adhering to the mandatory state statute, requiring each district school board to adopt procedures for developing library media center collections and to post these procedures on each school's website.

District Alignment: Aligns with Broward County Public Schools 2022-2027 Strategic Plan Goals and Guardrails.

Supporting curriculum: The plan should directly connect library materials to the school's curriculum, ensuring students access relevant study resources.

Student needs assessment: It considers students' diverse needs, including reading levels, interests, and learning styles, to select materials that cater to a wide range of abilities.

Selection criteria: The plan outlines clear criteria for choosing materials, such as quality, accuracy, relevance, and alignment with school values.

Budget management: It helps allocate library funds effectively by prioritizing purchase needs based on identified gaps in the collection.

Collection maintenance: The plan includes procedures for discarding outdated or damaged materials and replacing them with current resources.

Community engagement: It involves collaboration with students, teachers, administrators, and parents to gather input on collection needs.

A thorough analysis of the current media center collection at Lauderhill 6-12 indicates that the average age of the collection is 2008 and the number of books per student is 4.6. The [American Library Association](#) has established a criteria for a highly effective media center that includes a ratio of 10 books available per student in the collection.

Currently, Lauderhill 6-12 does not meet the recommended standards for the number of books per student.

Library Program

The Lauderhill 6-12 library program serves as the heart of our academic community, fostering a love for reading, critical thinking, and lifelong learning. Our library operates on a flexible schedule, allowing teachers and students to access resources and support as needed throughout the school day. This approach ensures that the library is a dynamic and responsive space, adapting to the diverse needs of our school community.

The library also collaborates with various school programs, including our STEM-MED Magnet Program, Cambridge International Program, and industry certification courses, by curating resources that align with these specialized areas of study.

Instruction in the media center emphasizes information literacy, research skills, and digital citizenship. Students receive guidance on navigating online databases, evaluating sources, and citing information properly. Collaborative lessons often integrate technology, such as using Promethean boards for interactive sessions, enabling students to apply their learning in engaging and practical ways.

In addition to academic support, the library is a hub for extracurricular activities, hosting book clubs, coding workshops, and other programs that enrich the student experience. By providing a welcoming and resource-rich environment, the Lauderhill 6-12 library program plays a pivotal role in supporting both the academic and personal growth of our students.

Scope of the Collection

Lauderhill 6-12 Media Collection includes Fiction and Non-Fiction print and e-title books. Our Media Center has a searchable library collection that can be accessed through Destiny Discover. Students can search by title, author, or topic for materials in the media center, classroom libraries, or books on classroom reading lists. The Lauderhill 6-12 library collection is designed to meet the diverse academic and personal interests of our students and faculty, supporting the school's unique STEM-MED Magnet and Cambridge International programs. The collection includes a wide range of formats and resources to foster inquiry, creativity, and lifelong learning.

Collection Inclusions

The library collection encompasses:

Print Materials: Fiction, non-fiction, biographies, graphic novels, reference books, and periodicals that support academic and leisure reading needs.

STEM-Focused Non-Fiction: An emphasis on STEM-related materials, including books and resources that align with industry certification courses like CAD, Fusion 360, and IT fundamentals.

Media and Multimedia: High-quality videos and interactive content that align with educational standards, accessible via up-to-date formats and platforms.

Formats and Technology

The library incorporates modern technology to access and view materials, including:

Chromebooks and Tablets: For accessing eBooks, databases, and interactive resources.

Promethean Boards: Used during collaborative instructional sessions and group activities.

Library Computers: Equipped with software to support research, digital design, and certification programs.

Areas of Emphasis

STEM Resources: Non-fiction materials supporting science, technology, engineering, and mathematics, as well as medical and aeronautical fields.

Cambridge International Program: Materials aligned with global perspectives, research skills, and advanced academic content.

Social-Emotional Learning (SEL): Books and resources that foster mental wellness, inclusivity, and leadership.

Industry Certifications: Manuals and guides related to Microsoft Office, Adobe, CNA, FAA Drone Pilot, CAD, and Fusion 360 certifications.

The district provides online resources to ensure equitable access to information for teaching and learning to improve student performance and achievement. Students and teachers can use Clever or Canvas to access age-appropriate materials that support educational and social-emotional needs through the following online resources: Follett Destiny Online Library Catalog, Gale Online Databases and eBooks, Beanstack, and Sora by Overdrive.

School media centers provide access to library media materials that eliminate educational barriers based on gender, race/ethnicity, national origin, color, religion, disability, age, sexual orientation, gender identity, expression, or other protected group status and that are free of bias, stereotypes, distortions, and prejudices. This includes the ability to obtain information in a variety of formats-electronic as well as print, without fear of censorship or reprisal.

Collection Development

Collection Development is the process of providing quality materials and equipment for the library media center. The goal of collection development is to ensure the collection has information sources in adequate quantity and variety to support student's academic and personal interest needs. The media specialist is charged with leading this process with the input of teachers, students, and parents. Resources are selected according to principles of intellectual freedom and provide all learners with access to information representing diverse points of view.

Selection and Evaluation Criteria (Drawn from BCPS Policy 4120)

Selection of Materials

Funded by the state, district, and school, the media collection will contain a wide range of appropriate materials on varying levels of difficulty in various existing and emerging formats. It will focus on materials that address different learning styles and levels.

Responsibility

The School Board of Broward County is legally responsible for all matters relating to the operation of the Broward County Schools. The professionally trained media specialist is responsible for coordinating the selection of instructional materials for the School Media Center, consulting with the principal, teachers, and students.

***In the event there is not a school library media specialist,** the Principal and/or Administrative Designee will assume the responsibility for identifying and selecting an instructional staff member(s) to engage in the selection process to ensure materials support the needs of the school community.

NOTE: Clerical personnel should NOT be responsible for library material collection development and/or resource management and selection of materials.

Criteria for Selection of Print and Non-Print Materials

1. Materials are selected to support the mission of Lauderhill 6-12
2. Materials are selected to enrich and support the curriculum and the educational, emotional, and recreational needs of the users.
3. Materials shall be appropriate for the age, emotional development, ability levels, learning styles, and social development of the students.
4. Materials shall represent differing viewpoints of controversial issues so that users may be motivated to engage in critical analysis of such issues, to explore their own beliefs, attitudes, and behavior, and to make informed choices in their lives.

In keeping with the **Library Bill of Rights**, materials will be considered based on the following:

- Needs of the curriculum, learning/teaching styles of students, faculty, and staff
- Possible use of material (including small or large group instruction, in-depth study)
- Level of physical, artistic, and literary quality
- Representation of multiple viewpoints
- Treatment of subject and lack of cultural bias
- Accuracy and currency of information
- Scope of coverage
- Support of inquiry and critical thinking skills
- Relationship of the material to the overall collection
- Cost, packaging, and documentation

Selection Tools

The following professional resources are available to assist the media specialist in the selection process. However, selection is not limited to the use of these tools.

Follett Titlewave: Titlewave is a collection development and curriculum support tool for school libraries, librarians, and educators, featuring professionally curated content from Follett library services and support tools that help you find the most relevant materials.

Mackin: Mackin uses highly acclaimed review sources (AudioFile, Booklist, Horn Book Magazine, Kirkus Reviews, Library Media Connection, Publishers Weekly, and School Library Journal). It places them in one convenient location to make the best selections for school libraries and students.

Periodicals: School Library Journal, Kirkus Reviews, Booklist, Horn Book, Library Media Connection, Journal of Adolescent and Adult Literacy, Young Adult Library Services, Knowledge Quest.

Books: Children's & YA Book Lists: Best Books, Best Books for Young Adult Readers; Books for You: An Annotated Booklist for Senior High Students; Outstanding Books for the College Bound: Choices for a Generation; and Senior High School Library Catalog.

Note: Common Sense Media, Amazon, Goodreads, The Manga Critic and Reviews from paid reviewing sources **may be used** in conjunction with professional reviewing sources.

Gifts and Donations

Any gifted or donated items must meet the same selection criteria as all other materials—the criteria listed in Florida Statute 1006.28 and Broward County School Board Policy 4120.

Collection Maintenance

Removing materials from a library collection that are no longer educationally appropriate is as an equally important process as selecting new items of high quality. The library media specialist and/or instructional staff should have an ongoing process to evaluate the library media collection and to keep the collection relevant to the changing needs of the curriculum, personal interests, and needs of students. Evaluation of items under consideration for removal from the Library Media Center should be based on criteria related to the educational value of the resources. The removal (weeding) of library materials from the collection is the responsibility of a skilled professional library media specialist. Weeded items should not be disposed of or discarded at the school site. Weeded items should be boxed and identified as DISCARDED or WITHDRAWN and scheduled for pick up by Procurement and Warehousing Services by completing the enclosed Warehouse Assistance Request Form.

Reconsideration of Materials

Inquiries regarding the appropriateness of particular library and supplemental instructional materials are a normal part of the process of providing a wide variety of resources for student use.

Opt-Out Form

Parents may submit their request to limit their student's access to materials in the school or classroom library by submitting a completed Opt-Out Form to the school principal.

Procedures for Objections to Library Materials and Reading Lists

Superintendent Review Committee

1. The School Board shall form a Superintendent Review Committee (SRC) to review objections to library materials. The SRC must have a minimum of five members but may have as many additional members as the Superintendent or his/her designee appoints based on need.
2. Any committees convened for the purpose of resolving an objection by a parent or resident to specific materials must include parents of students who will have access to such material.
3. The membership of the review committee should reflect the broad racial, ethnic, socioeconomic, and cultural diversity of Broward County Public Schools as well as individual(s) with noted or reasonable subject matter expertise.

Phase 1: Complete Objection to Library/Instructional Materials Form

- a. A parent or resident of Broward County who wishes to object to materials used within the School Board of Broward County Public Schools must complete the "Objection to Library/Instructional Materials Form," located on the school's Library Media website. The objection shall include the following information:
- b. Parent or resident of Broward County must specify the text within the material he/she believes is out of compliance with the requirements of Section 1006.28(2)(a)2. a. or b., Florida Statutes, and the nature of the alleged noncompliance.

Phase 2: Notifications

- a. Upon receipt of the completed "Objection to Library/Instructional Materials" form, notifications will be sent to the principal where the challenge originates as well as the Innovative Learning Department staff, school board members, and superintendent.
- b. Any item subject to an objection on the basis of sub sub-subparagraph b. (I) or sub-sub-subparagraph b. (II) must be removed within 5 school days of receipt Page 9 of 10 of the objections and remain unavailable to students of that school until the objection is resolved.

Phase 3: Superintendent's Review Committee Review

- a. The Innovative Learning Department Director shall convene the SRC to review the material.
- b. SRC will utilize an approved review rubric aligned to School Board policies and state statutes approved by the Superintendent.

Phase 4: SRC's Recommendation to the Superintendent

- a. A decision will be rendered within ninety (90) days after receipt of the objection.
- b. Committee will submit their recommendation to the School Board of Broward County, the Superintendent, and the parent or resident of Broward County.
 - i. allows the challenged material to maintain its current status;
 - ii. leave the challenged material in the classroom or school media center, but allow students to use alternate materials approved by school personnel who require the use of the disputed items;
 - iii. limit the educational use of the challenged material;
 - iv. transfer the challenged material to a higher-level school (e. g. elementary to a middle school); and/or
 - v. remove the challenged material from the school environment.

Phase 5: Appeal

- a. If a parent or resident of Broward County disagrees with the determination made by the SRC, he/she may request inclusion on the School Board agenda.
- b. If they disagree with the School Board's decision on the objection to the use of a specific material, a parent or resident of Broward County may request from the Commissioner of Education appointment of a special magistrate who is a member of the Florida Bar in good standing and who has at least 5 years' experience in administrative law to render a recommended decision.

Library Bill of Rights

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

- I. Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.
- II. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.
- III. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.
- IV. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.
- V. A person's right to use a library should not be denied or abridged because of origin, age, background, or views.
- VI. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.
- VII. All people, regardless of origin, age, background, or views, possess a right to privacy and confidentiality in their library use. Libraries should advocate for, educate about, and protect people's privacy, safeguarding all library use data, including personally identifiable information.

Adopted June 19, 1939, by the ALA Council; amended October 14, 1944; June 18, 1948; February 2, 1961; June 27, 1967; January 23, 1980; January 29, 2019.

Inclusion of "age" reaffirmed January 23, 1996.

Although the Articles of the Library Bill of Rights are unambiguous statements of basic principles that should govern the service of all libraries, questions do arise concerning application of these principles to specific library practices. See the documents designated by the Intellectual Freedom Committee as Interpretations of the Library Bill of Rights.

Objection to Library/Specific Materials Form

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
INNOVATIVE LEARNING DEPARTMENT — LIBRARY MEDIA SERVICES
OBJECTIONS TO LIBRARY/SPECIFIC MATERIALS

Part I:

In order to assist a parent or resident of Broward County with the submission of an objection, Policy 4120 provides information on the Objection to Library/Specific Materials Form as required by Section 1006.28(2)(a)2., F.S. A parent or resident of Broward County that wishes to object to materials used within the School Board of Broward County, Florida public schools must complete the "Objection to Library/Specific Materials Form" located on the School Board of Broward County homepage and on the media center page of each school. All completed objection forms must be emailed to the Director or Innovative Learning at objectiontomaterials@browardschools.com. Parents or residents of this county may share their concerns regarding any library/specific materials with the principal at the school site where the material is located prior to filing an objection. The committee will only consider book objections if they are submitted with at least 90 days remaining in the school year. Objections submitted outside this timeframe will not be reviewed until the following school year.

Part II:
