

Friday Knights' Highlights 8/25/2023

Good Afternoon Monarch, here are our Knight Highlights:

- Thank you to all students who joined Drama Club at their first meeting this week and congratulations to those students who received offers for this year's Advanced Theatre Class! The Monarch Theatre Department has an exciting season planned, so stop by room 317 to learn more!
- Homecoming tickets will be on sale starting on Monday through the e-store. Early bird tickets are only available on Monday for \$45 and then the price will go up to \$60. This year's theme is the Roaring 20's to celebrate Monarch's 20th birthday. Hope to see you there!!
- Fall sports are in full swing. If you have not done so yet, complete your athletic paperwork as soon as possible.
- If you need to get in shape, consider working out with the track and field program. They condition year round.
- Congratulations to our girls' volleyball team for a great week. Varsity is 2-0 with big wins against Deerfield and Coral Glades. JV is 1-1 with a big win over Deerfield. Join us tonight for a black out game against Douglas in The Dungeon. Come out tonight at 6 PM to support Knights volleyball.
- Our football team started the season with an exciting and difficult showcase game against Cedar Grove HS out of Georgia last night. The Knights won 50 – 42 in an exciting game that went down to the wire and we sent the Saints on a long sad flight home. Come out next Friday for our next home game at Coconut Creek High School against Delray Atlantic High School.

We hope everyone has an amazing day and weekend!

Be safe and remember ... GO KNIGHTS!
