- Current pay stub or evidence of school/work hours.

Standard Scholarship will be 40%.

You can apply online: <https://www.browardschools.com/BASCC>

2024-2025 Everglades Elementary Aftercare

General Aftercare Information:

Groups: Aftercare groups will be in accordance with grade level. Groups operate in a 1:20 ratio.

Recreational/Outdoor Play: Students can play outdoors in our playgrounds, courts, and fields during our recess time. (2:15-2:55PM)

Homework: All students will be scheduled for structured homework time every day. We provide an hour of homework time (3-4PM), but students can continue to work until they are finished or are picked up to go home. Groups are provided with a classroom to ensure a quiet environment while completing homework.

Weekly Activities: Our programs are required to provide two academic components for each group per week. All academic components will be held in allocated classrooms or cafeteria once homework has been completed, (4-5PM). Our academic components include STEM (Science, Technology, Engineering, and Math), reading, dramatic role play, art, and tech time.

Attendance/Snack: Our counselors record attendance as children arrive and join their group in the cafeteria at 2PM. Each child is provided one snack daily. Please pack extra snacks if your child requires them.

Additional Homework Information

- At Everglades Aftercare, homework time is one of our top priorities.
- We are aware that our parents expect homework completed daily but we would like to advise that aftercare staff is not responsible for knowing the assignments given to students by their teachers.
- To help our counselors and to assure homework is completed, please ensure students are writing their homework assignments down in their agenda.
- Counselors do their best to help students with homework if needed but please note that our counselors are not tutors and cannot provide tutoring during aftercare hours.
- We can provide you with a list of tutors if your child requires extra homework help.

If you have any questions please contact the **Aftercare Supervisor, Veronica De Paz** via email veronica.depaz@browardschools.com.
