

Greetings Wildcat Families,

As we approach Thanksgiving break, I want to take a moment and say thank you to the amazing staff and faculty here at The Glen. Thank you for all that you do for our Wildcats and their successes. Thank you for going above and beyond daily.

Thank you to our Wildcat families and local community. I am grateful for your support, and I know that together we will help our Wildcats do amazing things.

Thank you Wildcats – you truly are amazing. Thank you for following the Glenhouse Rules – be respectful, responsible, and safe – and for being kind to those around you. Thank you for coming to The Glen every day ready to learn and grow.

November is a busy time as we continue with our **basketball season** and **volleyball season** is about to begin. We are excited to cheer on our Wildcats and their coaches and enjoy our **cheerleaders** as they celebrate our teams.

The **FGMS Student Government Association (SGA)** is leading the charge across campus with our Harvest Drive collection (all donations should be brought to the chorus room). The **FGMS Junior Honor Society (JHS)** has been working hard in the community by volunteering at various Trunk or Treat events, including Forest Hills ES (Go Bears!) and Keep Coral Springs Beautiful. Our **Latinos In Action (LIA)** students are continuing their weekly visits to Hunt ES where they are working with younger students as mentors and peer teachers. Thank you to these groups of students for showing us the power that comes when we act selflessly and think of others first.

I want to wish all Wildcat families a safe and enjoyable Thanksgiving break. I hope you have an amazing time with loved ones filled with joy and moments to cherish.

Take care and be safe,

Dr. Norris
