Happy New Year to all! Thank you to everyone for your support and cooperation as we adjusted our classes to better meet the needs of our students. Continue to be patient with us as we make additional changes according to unique situations. We are so happy to have so many of our students return to campus! We promise to maintain the high level of academic rigor we all love and expect while keeping our students and staff safe.

Last week, most of our students completed their iReady Diagnostic 2. The results of this assessment will help our teachers develop very targeted instructional plans to meet the needs of our students on their grade-level standards. We know it was difficult for the children at times, but we needed to get an accurate picture of their knowledge so we can plan what to reteach and what to enrich. Parents will receive printed results shortly. Additionally, parents are encouraged to monitor their child's iReady progress from the child's login page.

Parents, this is the time of year that we need you to stay actively engaged. Model strong study habits by maintaining an organized workspace for your child at home to complete homework and projects. Ensure that students are completing 2 iReady lessons per week in reading and math. Grab a good book instead of the remote and spend 30 minutes reading in a cozy spot. As you travel in the car, practice math facts. And most importantly, attendance is critical. Your child needs to be in class (live or virtual) every day for the full day. It is imperative that appointments and family trips be scheduled outside school time.

Thank you for helping us move our students farther and faster.

Love, Peace, and Kindness!

On Friday, February 12, 2021, Bayview Elementary will observe A Day of Love and Service. All students and staff are asked to wear MSD school colors to show solidarity, which are gray and burgundy. Additionally, students and staff will discuss intentional and random acts of kindness that anyone can do to promote spreading peace rather than violence. Finally, every student and staff member will commit to performing an act of kindness each day.

ASK BRIA

Attention Students and Parents!

HOMWORK SUPPORT FOR BCPS K-12 STUDENTS

Free, Live and Exclusive Homework Help from Certified Teachers and Subject Matter Experts
Available Mondays-Thursdays on School Days!

Rave Reviews for Ask BRIA

"To me, this is the absolute best version of tutoring possible during these unprecedented times. It highlights how our district is coming together to help our students the best way we know how."

Literacy Coach Melissa Cabrera

"When I heard about Ask BRIA I didn't want to join because I thought I'd be seen as dumb. I thought "why would someone need help with homework if they're smart?" I was having trouble with my Algebra 1 Honors course, so I joined the 8th grade math Teams meeting. I was skeptical at first, but the teacher helped me with the problem I was having and even called me smart for catching on quick. My experience with Ask BRIA was great! I recommend it - it's a ten out of ten!"

Middle School Student, Justin E.

"I think it's awesome that BCPS is offering a free tutoring service...It's giving kids quick and easy access to get help at the click of a button after school if they find they're really struggling with the day's lesson."

High School Senior William B.

Traffic Alert!!

Effective immediately, parents are required to adhere to the following guidance in the car loop. Now that everyone has adjusted, it is expected that everyone will cooperate with the directions of our staff to keep our children safe and traffic flowing.

1. Do NOT exit your vehicle at any time. Staff will assist students into

- the vehicle.
2. Have your student seated on the rear passenger side to facilitate exit and entry.
 3. Do not call children into traffic or to cross traffic.
 4. Only enter the loop as you drive west on Middle River Drive.

Attendance Policy 5.5 – Revised

Newly adopted language begins under Section VIII on page 9. The amended language for paragraph A. 2. reads as follows:

2. During distance learning, the use of student cameras is required for attendance and instruction. Students will be counted in attendance in the learning environment during their scheduled class time. Teachers should be flexible and consider any extenuating circumstances of individual students who may be unable to turn on a camera. Teachers may consider other evidence of attendance for individual cases.

The School Board's decision to require camera usage by students was based on feedback from students, teachers, administrators, and other employees from an Attendance Survey that was conducted between Nov. 6 – 16, 2020. Results from the survey revealed that 75% of the School-based administrators who responded and 69% of teachers who responded support requiring cameras for attendance. School Board members unanimously agreed the policy should require students to turn on their cameras during attendance and direct instruction.

School Success Reminders:

Sign into your class meeting by 8:00 a.m. each morning.

Use the class chat only for communicating with the teacher or about the lessons.

Attendance in specials is required, just as if everyone was in the building. Students who do not participate or keep their cameras on for teachers to observe and assess will receive grades of 3.

Our school requirement for iReady practice is 2 reading lessons and 2 math lessons per week. That's only one per day. We require 80% or higher as a passing score.

Each student is expected to read at least 30 minutes per night. They can read to themselves, to a family member/pet/stuffed friend! Just read!
