

Forest Hills Elementary

ARRIVAL & DISMISSAL TRAFFIC PATTERN NOTICE

As per the City of Coral Springs, the car line will begin on Forest Hills Circle heading westbound. Upon reaching the stop sign (southbound Forest Hills Circle and NW 85 Avenue intersection), you will make a right turn heading northbound onto NW 85th Avenue and make a left onto the school's driveway/car loop. Follow the traffic signs and turn right to exit the school grounds.

REMINDERS:

- This traffic pattern must be followed regardless of whether you are dropping off, dismissal, severe weather, tutoring, clubs, or other special events.
- Parents are responsible for sharing all procedures with other adults that may be picking up or dropping off their children.
- PreK Car Riders are not to arrive prior to 7:50 a.m. as it disrupts the K-5 arrival. PreK pick up begins at 1:15 p.m. Do not enter driveway until 1:10 p.m. or until you are signaled to do so. If you arrive earlier, you must wait by the stop sign located on Forest Hills Blvd.
- K-5 dismissal should not arrive any earlier than 1:35 p.m. as you will disrupt the PreK dismissal process. Do not enter driveway or block N.W. 85 Avenue until you are signaled to do so. You must wait by the stop sign located on Forest Hills Blvd.
- Keep your student pick up placard on your driver's side of the dashboard or driver's window until you have completely left the school's campus.
- Discard all old pickup cards and only use the newly issued pick up card/s. You are responsible for issuing the second card to one of your emergency contacts. For additional pick up cards, please go to the front office. All individuals picking up a child must have a current pick up card and a government issued identification card.
- If you are on foot, always carry your pickup placard with you for safety reasons. Be ready to identify yourself when entering the front office by showing your pick up card. If you are coming from the south (Forest Hills Blvd.), wait by the stop sign located at the front of the school. If you are coming from the north (Sample Rd.), wait at sidewalk near the north parking lot fence. Do not pass these areas and enter campus without a staff member permitting you to do so.
- Do not wait at the front of the school for arrival or dismissal.
- Refrain from parking and drop off your child via car loop unless you are entering the front office. Bring your pick up placard with you.
- Do not park in the neighborhood, grass, fire lane, or staff parking.
- Do not stop or stand on the streets.
- Do not drop off your child on the street or have students cross through parking lot.
