Anime Club!

Anime Club members will work on creating anime with a general theme of community-building in our class, school, city, state,

nation, and in the world. In addition to writing, drawing, and using technology, they will work on ideas for cosplay, crafting of characters, and situational environments. Furthermore, there will be opportunities to research and explore the Japanese culture. Students will be viewing anime. The Japanese rating is not equivalent to the American rating, but the anime will have language and fantasy equivalency of about a PG to PG – 13 rating. Anime club will meet on Monday mornings 8:35-9:25, in room 920, unless otherwise posted by the facilitator.

BOOK CLUB

SAVE Students Against Violence Everywhere Promise Clubs

Ms. Desmond is the sponsor for SAVE Promise Club. This club is established and led by students, and are a powerful approach to preventing gun violence (and other forms of violence and victimization) because they recognize the unique role that young people play in making their schools and community safer. Meetings take place twice a month in P32,

SWAT CLUB (Students Working Against Tobacco) & Just Say No

SWAT Club work's throughout the year to educate our students to hazards of using tobacco and tobacco related products. We recognize tobacco free holidays by bringing awareness to the students on the dangers of tobacco use. We participate in a campus clean-up and help plan Red Ribbon Week activities. See Ms. Desmond for details.

JUST SAY NO!

Ladies of Style and Elegance

L.S.E. Program developed to mentor young 8th grade girl. In addition to the mentoring program, LSE participate in community services from tutoring younger children to delivering food and other necessities to the needy, fundraising activities, round table talks, and tutoring. The program also monitors grades and behavior of all their members. The purpose of this program is to teach young ladies etiquette, grace, integrity, dignity, communication techniques, and style appropriate for selected occasions. This club will further offer young ladies the opportunity to flourish and commence the preparation of a portfolio that will highlight their individual achievements. They will focus on education, people, organizational skills, and their potential future careers. Permitting them to rub elbows with powerful, intelligent female speakers quarterly will enhance their knowledge of career options. They will emerge strong, sophisticated, polished individuals.

See Ms. Job, Ms. L. Smith & Ms. Comple for details

D. I. Y. M.

Developing Intelligent Young Men

This on campus mentoring program is designed to reach 8th grade males at AMS. Many of the students in the program may struggle with academic and behavioral issues. Students in the program get tutoring and computer access for assistance with class and homework. During weekly meetings, students enjoy guest speakers, and field trips to local colleges all of which direct and guide students on subjects that range from health and hygiene to college and career choices. Students interested in D.I.Y.M. are expected to participate in a rigorous interview process, undergo academic and behavior progress monitoring, attend weekly meetings and represent Apollo Middle School. These students will also participate in various field trips, special events, and programs.
