

The 6-String Club.

This club is dedicated to producing quality music concerts and shows. The club takes its name from the guitar, which has six strings. Most students joining the club are from the guitar classes, but we also need singers, drummers, piano players, and behind-the-scenes crew members.

Unlike Marching Band and Chorus, our performers perform in small groups. Most performances in our shows feature groups of four or five students. Students choose their own songs, pending teacher approval. The length of our shows varies between one hour (a short show) and 90 minutes (a long show).

Students involved in this club can provide any of the following services:

Singing

Playing an instrument

Planning the shows

Setting up / Breaking down equipment before and after shows

Selling tickets

Organizing/running concerts

Selling food

Clean up

Running the sound board

Problem solving

Students participating in this club will learn and practice skills such as:

Live performance

Sound technician

Show management

Stage management

Students participating in this club will gain:

Peer acceptance

Self esteem

Task follow-through

Reliability

Meetings are held on Monday Afternoons in room 202 from 2:45 to 2:50.
