students successively there's a state mandated 5% threshold and we're well below that so I know it seems like there's a lot the monitoring. We have our PM's for ELA and Writing, EOC in Math, biology, algebra, geometry, and U.S. history. Which are all content grade levels information test required for graduation.

B. Ms. Avidan – Fatout's Family: information with a Fatout family is purely peer LED mentoring program aimed at providing academic support, social, emotional growth and guidance for students who can't participate. It's paired with peer paired mentors who are members of leadership program like peer counseling, SGA, and early childhood with mentees needing academic and social support.

5. Old Business:

A. PTSA: To meet right after SAF/SAC

B. We need an ESOL parent for the committee. To be tabled to the next meeting with quorum.

6. New Business:
