April 14, 2020

Robert W. Runcie  
Superintendent of Schools

Dear Parent,

You are receiving this letter because your student has nursing services documented on his/her Individual Educational Plan or 504 Plan. Due to the COVID-19 pandemic, the delivery of in-person nursing services cannot be safely provided. Nursing services as written on your student's Individualized Educational Plan or 504 Plan will resume upon the reopening of school.

On Friday, March 13, 2020, the Superintendent of Broward County Schools temporarily closed all schools due to the viral pandemic of COVID-19. This closure is in effect through April 30, 2020 and may be extended beyond that date. During this time, nursing staff are not able to provide any in-person services as this would not comply with current safety protocols to protect the health and safety of both students and staff. This is in alignment with guidance provided by the Centers for Disease Control (CDC), along with the United States Department of Education (USDOE) and the Florida Department of Education (FLDOE), which have urged individuals to engage in social distancing as a measure to mitigate the effects of the coronavirus.

More recently, on April 1, 2020, Governor Ron DeSantis issued a "Safer At Home" Order for Florida. This Order is in concert with the efforts of President Trump and guidance provided by the Florida Surgeon General and State Health Officer, Dr. Scott Rivkees, and requires that "all persons in Florida shall limit their movements and personal interactions outside of their home to only those necessary to obtain or provide essential services or conduct essential activities."

Attached to this letter you will find a list of clinics and provider centers which may assist you during the school closure. A nurse from the Broward County Schools will be in contact with you to develop a Temporary Distance Learning Plan for nursing services.

Should you have any questions, please contact Coordinated Student Health Services at 754-321-1575.

Sincerely,

Saemone Hollingsworth
