READ! READ! READ!

Thank you parents for all
you do!!!

Choosing child care is one of the most important decisions families make. All too often, families must rely on word-of-mouth. Knowing that not every program meets a child's needs, it is important to ask as many questions as you can before you place your child in a program. Do so in advance, enabling you to research programs that service children at the school. Contact the front office for further details or check out our website for more information about Pinewood's aftercare.

PARENTS Please note **DO NOT** park in fire Lane at any time.

The Fire Marshal of Broward County is enforcing it.

After April 15, police officers will ticket for this violation.

We have several articles in the Lost and Found. Parents, we encourage you and your child to visit the Lost and Found in the office to claim any missing items. Unclaimed items will be donated to Goodwill.

General Considerations for Virtual Students

- Create a space and dedicated time for learning (away from the bed).
- Monitor surroundings to make sure only the student is in the camera.
- Eat breakfast before class time.
- Parents must report absences by calling the school at 754-322-7950.
- Parent/teacher conferences take place outside of student engagement time. Parents should not interrupt the learning process with questions. Instead, contact the teacher to set-up a separate meeting outside of instructional time.
