

2019 ALIgn Summer Camp

July 15-25 (Monday-Thursday)
Apollo Middle School
Fort Lauderdale High School
New Renaissance Middle School
Parkway Middle School
Piper High School

The ALIgn (Applied Learning Institute) Summer Camp is a **FREE** 8-day experience that allows students to explore new subjects, meet new friends from their schools, and earn a .5 credit!

During the first three days, students will experience Art, Debate, Music, and STEM+Computer Science. During the remaining five days, they will choose a focus area (Art, Debate, Music, or STEM+CS) and work on culminating project.

Join the best educators in Broward County to learn about **communication, creativity, and science!** An emphasis on critical thinking, expression, and real-world problem solving engages students today to prepare them for tomorrow.

Free breakfast and lunch!
Transportation included.
All supplies included.
