

RAINY DAY DISMISSAL

Student's Name: _____

Teacher's Name: _____

When PTE goes into a Rainy-Day Dismissal, my child is going to be dismissed the following way:

Car _____ Bike _____ Walker _____ ASP _____
Bus # _____ (Only if you are a registered bus rider)

Walkers/Bike Riders: For their safety, if the rain begins to get too heavy, we may hold them until it lightens so we know they will be safe crossing the streets.

WE WILL ONLY STOP DISMISSAL IF THE LIGHTNING ALARM IS CALLED. At that time, we will not be dismissing anyone until the ALL CLEAR is given. When we do dismiss once the ALL CLEAR has been given, we will dismiss using the Rainy-Day Dismissal choice you have listed above.

If your child is a walker or biker, you should have them carry appropriate rain gear in their backpack.

Parent Signature: _____ **Date:** _____

NO CHANGE IN DISMISSAL WILL BE ACCEPTED AFTER 1:15PM .
