

TRANSITION NIGHT

SAVE THE DATE

Preparing Our Students for the Community and Life After School

The Quest Center is proud to host our 2024 Transition Night. This event aims to provide parents of students ages 12 and over with information about guardianship and the transition from school to the community. Community Agencies will be on-site to provide information about the next steps for students exiting Broward County Public Schools this year. Eligibility requirements for Adult Day Training (ADT) programs and community resources will be available to our students and families. It is never too early to prepare for our students' future.

JOIN US!
