

Lost or Broken Laptop Charger Solution

Dear Parent/Guardian,

Driftwood Middle will not be able to replace any laptop chargers due to insufficient supply. Should the charger for your student's laptop be lost or broken it will result in a **financial obligation** to be repaid to our school so that we can purchase a replacement.

To avoid this charge, we recommend buying the charger for your student's laptop **from the vendor provided below**. Purchasing the charger yourself will be faster and cheaper than going through the process with Driftwood Middle.
