MESSAGE FROM YOUR PRINCIPAL, MS. BELL

Greetings Pirate Family,

March signals the start of Spring and a time where we get outdoors more often. This month also brings a lot of fun activities on our campus in addition to us preparing our students for PM 3 in May. The highlights of this month will be our field day, which takes place March 18th-20th and our Talent Show, which takes place on March 15th. Field Day is a great way for students to engage in healthy competition and learn how to win gracefully and also accept defeat. The house with the most points will be named our Field Day champion for this year! Our Talent Show is a great way for students and staff to showcase their talents. This is our second one and it promises to be exciting.

We continue to prepare our students for PM 3 in math and reading. These assessments will begin in May. Specific dates are forthcoming. Please help us with preparation by ensuring that your child is completing assignments in a timely manner, reading at least 30 minutes each day and practicing their math facts. If you have access to the internet, working on Iready for 45 mins each week in ELA and Math will also help. If home and school work together our students will achieve great things.

Spring Break also takes place this month. I hope everyone will enjoy the break and take some time to relax and recharge. When we return in April we will be in the "last lap" of our preparation for PM 3. We will need all "hands on deck" to ensure a successful testing season.

Please take a moment to complete our Title One Survey and Customer Service Survey. Both links are on our website. It is also a good idea to visit our website at <https://www.browardschools.com/pembrokepines> frequently so that you are able to stay updated on events taking place at our school.

Registration for the 2024/2025 school year is open. Please call the front office for more information.

Thank you for your continued support.

Ms. Bell
