## MESSAGE FROM MS. BELL

Happy New Year Pirate Families,

Welcome back!

As we embark on the second half of the school year, We will continue to be diligent about ensuring that our Pirates are receiving a high quality education. 2022 has started with some unforeseen challenges as COVID 19 cases have risen throughout our county. At PPE, the health and safety of our staff and students remains our highest priorities. We ask that families help us with this by keeping sick children home.

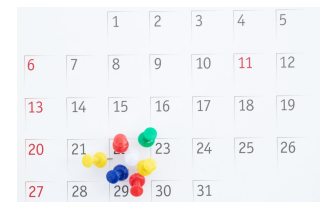

Please continue to stay informed and updated with what is happening at PPE, by frequently checking our websites and attending our monthly School Advisory Council Meetings.

Wishing the entire Pirate family prosperity, peace and love for 2022.
