

WE WANT

you
IN THE YEARBOOK!

We are working hard to create a **yearbook** that will be packed

full of **fun**
photos, and we need your help!

All items submitted must be school appropriate and meet the rules and expectations of Falcon Cove Middle School and Broward County Public Schools. Submissions that violate this will not be used and will be shared with the administration.

PHOTOS WE NEED - CHOOSE 2 OR 3 TOPICS

We will not be able to include in the yearbook every image we receive, but we will try our best to include at least one image of every student who submits a photo. That's why we recommend you respond to only 2-3 of the photo-collection campaigns. If you respond to all of our photo-collection campaigns, we will NOT be able to include you on all of those pages because we need to include other students, too. Thank you.
