

Teen Leadership Internship Program 2023

Teen Summer Intern Description

DESCRIPTION:

Broward County Libraries (BCL) 2023 Teen Leadership Internship Program will engage students providing a summer-long internship for high school students at participating BCL locations. The internship will introduce teens to emerging technologies, and potential career paths. Participants will gain essential employability and life skills including (time management, workplace communication, and leadership) while increasing their technology skills. Projects will be centered around robotics, music production, film production, coding, 3D printing, arts & crafts, and graphic design.

LOCATIONS:

Northwest Regional Library, Main Library, West Regional Library, South Regional Library, Southwest Regional Library

TARGET APPLICANTS:

- Current high school students
- Broward County resident
- Interest in STEAM (Science, Technology, Engineering, Arts, Mathematics)

APPLICATION REQUIREMENTS:

- Complete enclosed application.
- Write a 200-500-word essay on the following:
Describe your interest in STEAM. Please explain how participating in our summer internship program fits your academic and/or career goals. What skills, knowledge, classes have you taken or what attributes do you have that would make you a perfect candidate for this program? How do you hope to benefit from this internship program?

SUBMISSION: DEADLINE, Tuesday, February 21, 2023

- Apply now, applications will be reviewed on a rolling basis.
- Email the completed application and essay document attachments to **BCLsummer@broward.org**
- Submit with subject line "TLIP [First and Last name]"

SCHEDULE:

- Minimum commitment: 120 hours per summer duration, beginning June 2023 and ending in August 2023
- 15-20 hours per week requirement:
 - Mondays- Students will be required to complete select online components
 - Tuesday, Wednesday, Thursday (in-person)
 - Fridays -Field trips: Additional exploratory learning opportunities will be scheduled on select Fridays

COMPENSATION:

There is a \$650 stipend and other incentives.

This project was funded under the provisions of the Library Services and Technology Act from the Institute of Museum and Library Services. Florida's LSTA program is administered by the Department of State's Division of Library and Information Services.
