

It's time for our annual  
**STMS PTSA Mustang Giving Tree  
& Penny Wars!**  
**December 9th—18th**

**Bring in your pennies to battle the other grades. The grade with the most pennies, wins!**

Pennies are added to the balance, silver coin values are subtracted away from the balance and rolled coins count double.

**What do they win? The opportunity to Pay it Forward to our community. All of the money collected during this event goes to help those in need during this Holiday Season.**

**Our new **Mustang Giving Tree** will be another way to help our community this Holiday Season. PTSA will be handing out "ornaments" with a child's age, gender and a small wish list, during your students lunch time. (No electronics)**

**Your student can take one of the "ornaments" home and you and your family can help make a child's holiday wishes come true. Simply send the gift, unwrapped, WITH THE ORNAMENT attached, in to STMS with your student. Volunteers will collect the gifts in the morning drop off line. Thank you for being such an amazing community!!**

***\*\* If you choose not to purchase the gifts for that child, please be sure to return the "ornament" to the school so we can pass it along to someone else. PLEASE don't throw it away. \*\****

***Happy Holidays to all!***
