Dear Silver Trail Middle Parents & Caregivers:

I am writing to inform you that we are in the process of adjusting some student schedules which may affect your child. These changes are necessary to adjust staffing to meet student enrollment data and keep our core class sizes at or below the state mandate of twenty-two (22).

Because we experienced a decrease of enrollment, we must shift students into alternative classes to remain in compliance with the state's class size law. Schedule changes will begin Thursday, October 7<sup>th</sup> and should be completed by Wednesday, October 13<sup>th</sup>.

Our faculty & staff are committed to ensure every child receiving a schedule change experiences a smooth transition. These schedule changes will not affect the integrity of the curriculum within all courses; your child's education will not be compromised. Please have your child reach out to his/her grade level counselor with any questions.

Thank you for your support and understanding. Wishing you and your family safety and good health, I remain

Sincerely yours,

Steve Frazier  
Principal
