APRIL 2025-JUNE 2025

From the desk of Principal Morgan

It's hard to believe, but we've officially made it to the fourth quarter of the school year-and what a journey it has been! Our students have shown incredible growth, resilience, and determination as they prepare for the upcoming FAST Test. This important assessment gives them the opportunity to showcase all they've learned throughout the year, and we couldn't be prouder of their hard work and dedication.

As we step into this final stretch, we're energized by all the exciting events and opportunities ahead. The fourth quarter promises to be a time of celebration, exploration, and continued learning. We're especially looking forward to Career Day, where students will get to learn about different professions and begin thinking about their own future goals. It's always an inspiring experience for everyone.

In addition, we have our Academic Fair to look forward to. The night will be filled with many educational experiences, and we will also be able to recognize the achievements of our amazing students. This is a night you will not want to miss.

Let's continue to push forward and finish strong. We're proud of how far we've come, and we can't wait to see what the rest of the quarter brings!

Principal Morgan

Autism Acceptance Month

April is Autism Acceptance Month. The goal of Autism Acceptance month is to foster understanding, inclusion, and celebration of autistic individuals as valued members of society. Autism Spectrum Disorder is a lifelong condition which can impact an individual's communication, social skills, and self-regulation. In 2025, the Autism Society of America is celebrating 60 years of supporting the Autism community. This April, we aim to educate others about autism, advocate, promote acceptance, and celebrate the talents and contributions of autistic individuals.

To submit a safety or security concern that is not an emergency, you can use one of the tip reporting methods and you can remain anonymous:

Country Isles Elementary is proud to support multiple initiatives that foster an environment of respect and student engagement. Throughout the year, members of the SAVE Promise Club have been spreading kindness by surprising their classmates with heartfelt messages. Students in grades K-3 have already received thoughtful notes on their desks. In April, the club will continue this tradition by delivering warm messages to 4th and 5th graders. As the school year comes to a close, they will also prepare special goodie bags for the graduating cluster students. We have also partnered with the Anti-Defamation League and have completed the paperwork to become designated as a No Place For Hate School by participating in "The Great Kindness Challenge" "BE KIND ONLINE" and "No Place for Hate Day." The students also have the opportunity to increase the social well being of others through two charitable initiatives this quarter, including the annual sneaker drive through April 10th. Please bring new or slightly used sneakers to the front office. Additionally, students have been collecting money since February 14th in their SHARE piggybanks that they created on the Day of Service and Love. The last day to bring in the filled piggy banks will be May 1st, and the funds will be donated to the SAFE SCHOOLS charity. The year has been filled with support and love from our parents, teachers, and students, and we are excited to end the year with heartfelt celebrations of academic success, kindness messages, and ongoing encouragement for all.
