## MEDICAL CONCERNS

If your child has a food allergy, we MUST have a current doctor's note on file each school year. If the allergy requires a cafeteria food substitution, the note must clearly state what the replacement item should be.

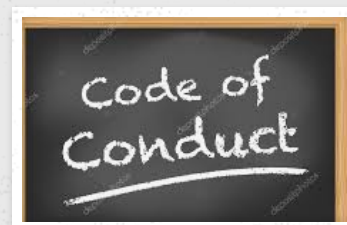

**Medications-** If your child needs to take medication at school, please bring the medicine with a completed Authorization for Medication Form signed by the doctor on the first day of school, August 16th. The school nurse will be in the front office to receive the medication and forms.

## CODE OF CONDUCT

Parents, please review the district's Code of Conduct with your child. Students are expected to follow the school and classroom rooms as well as those outlined in the Students Code of

Conduct. A copy of the Code of Conduct may be found in the First Day Packet as well as online at Broward Schools.com. Students who do not follow the rules will receive a behavior referral and consequences as outlined in the district's Behavior Matrix. Please contact the school if there are questions or concerns.
