The College Application & Financial Aid Process

- This Informational Event explores the many post-secondary opportunities available to students and the process of applying to College as well as applying for Financial Aid. We will review the “How To’s” of submitting College Applications (Common App, College Admission Exams, Transcripts) and explore Financial Aid opportunities (Bright Future Scholarships, FAFSA and other scholarships).

*Although seniors receive this information directly through Study Hall BRACE Visits, this program is designed to give their families the knowledge they desire so they can best support their child.
