Advertising Specifications

Accepted File Formats:

- PDF is the preferred format. Make sure to save/export your file as press quality. This setting will allow you to create a press ready PDF with all fonts and images embedded in the file.
- EPS, TIF, JPG, PSD format. Website images are not recommended for printing due to low image resolution.

General Guidelines:

- Convert all fonts to outlines or include all fonts used.
- Embed objects/photos or include all images that are placed or imported into the final layout of the file.
- Logos and line-based objects should remain in vector format whenever possible.
- Artwork must be sized correctly, using the dimensions provided above.
- Be sure all files have full copyright permission to reproduce (if applicable).
- Images must be 300 dpi at final size. Please do not "res-up" lower resolution images, as it will make the image pixelated.

For more information about advertising specifications, contact the Graphics Department at 754-321-1055.
