SUBJECT: 2008-2009 TENTH DAY STUDENT MEMBERSHIP COUNTS

The tenth day student enrollment was reported at ~~256,112~~ **256,513** on Thursday, September 4, 2008. This number represents a decrease of ~~1,906~~ **1,505** as compared to last year's ten day count of 258,018. This student enrollment count includes all students who were in attendance at all schools, including charter schools, centers, and other non-Full Time Equivalent (FTE) student sites. The Broward County Public School (BCPS) Pre-Kindergarten (PreK) through Grade 12 projected student enrollment this year is anticipated to be 258,032. This projected enrollment number is based on the twentieth day count, also described as the twentieth day of school.

This year's first day enrollment count was 231,208. This year's tenth day enrollment count was ~~256,112~~ **256,513**. Table 1 reports the increase between the first day and tenth day student enrollment by level. BCPS student enrollment includes all students who were in attendance at least one day and have not withdrawn at all schools including charter schools, centers and other non-Full Time Equivalent (FTE) student programs.
