**SUBJECT: 2014-2015 FIRST DAY ENROLLMENT COUNT**

The first day total enrollment count reported **263,700 students** registered in the District's student database "TERMS". This is an increase of **1,991 (0.8%)** from the total number of students registered in TERMS on the first day of school last year, August 19, 2013. The enrollment increases occurred at the prekindergarten, elementary, and high school levels, and at charter schools. Enrollment at District traditional schools decreased at the middle school level and at center schools.

This year at District traditional schools, the enrollment count for the first day of school at all prekindergarten through twelfth grade schools and centers, not including charter schools, was **224,924**. This number represents an enrollment decrease of 308 students as compared to the total number of students registered in TERMS on the first day of school last year, August 19, 2013.

This year at charter schools, the enrollment count for the first day of school was **38,776**, an enrollment increase of 2,299 from last year's first day count of 36,477. Twelve new charter schools opened for the 2014-2015 school year, though two, Broward County Charter High School and Greentree Preparatory Charter School, reported no student enrollment in the TERMS system.

## 2014-2015 First Day Enrollment Count

August 18, 2014

Page 2 of 2

The first day TERMS enrollment count is a good predictor of the District's official benchmark enrollment, historically being about 99% of that enrollment count. Last year the total number of students at District and charter schools registered in TERMS on the first day of school was equal to 99.7% percent of the enrollment at the benchmark date. This year, the first day enrollment for all District and charter school is equal to 99.6% of the 264,849 students projected to be enrolled at the benchmark date, September 8, 2014.

On the first day of school prior to 2013-2014, a physical student head count of all students present during the first period was conducted. The student enrollment registered in the TERMS database, however, was found to be a better indication of the official final benchmark enrollment count which occurs every year on the Monday following Labor Day.

Attached to this memorandum is the 2014-2015 First Day Enrollment Count for each school, center, and charter school by grade level. The data supplied is not currently disaggregated for race, ethnicity, English Language Learners (ELL), Exceptional Student Education (ESE), or Free and Reduced Lunch (FRL).

If you need additional information please contact **Patrick J. Sipple, Director, Demographics & Student Assignments Department, at 754-321-2480.**
