

BLACK HISTORY MONTH

February 22-26, 2021

For Black History Month, Palm Cove Elementary would like to highlight the many contributions African American men and women have made throughout history.

Students will be provided the opportunity to select and research an influential and notable African American. Your child may include facts about this individual and what contributions they made throughout their lifetime. Students can choose to write a brief report or make a video. Please send all submissions to your child's teacher or to Principal Elie: priscille.elie@browardschools.com.

During the week of February 22nd-26th, video submissions, with parental permission, will be highlighted on our morning announcements for both face to face and virtual students.
